DETAILED ACTION

Allowable Subject Matter

1. Claims 1-20 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art does not disclose or suggest first, second and third elongate reinforcing members coupled to back stall portions of first, second and third finger stalls of a ball glove wherein the first member has a length that is shorter than each of the second and third members, each of the reinforcing members having first and second side edges and at least one of the reinforcing members having first and second side edges wherein at least one of the reinforcing members has at least one slot extending into the reinforcing member between the first and second edges so as to inhibit rearward bending of the finger and thumb stalls upon impact with a ball in combination with a ball glove having a front glove portion and a back glove portion coupled together to define a hand cavity and form first, second, third, fourth fingers stalls and thumb stall wherein each finger stall includes a front stall portion and a back stall portion wherein each back stall portion includes a distal region and a proximal region and webbing coupled to and positioned between the first finger stall and the thumb stall.

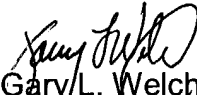

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
